## Ronald L. Hicks

was installed as the Elks Grand Exalted Ruler at the Grand Lodge Convention in Indianapolis, on July, 9th 2015.

I offer my sincere thanks and appreciation for the faith and trust you have placed in me to serve as your Grand Exalted Ruler.

It is indeed my honor and privilege to accept this role and my desire to show that your confidence has not been misplaced. As Nancy and I travel our great country, visit your Lodges, and attend your State Association meetings, we know we will be inspired to hear about your many acts of kindness, charity and brotherly love. It is our hope that we can return the favor by inspiring you to build on those endeavors in order to accomplish even more in the name of Elksdom.

State President Duane Heldenbrand with wife Angie and daughters Kristen and Gillian.

## Hello Missouri Elks,

As I write this article I look outside and the sun is shining and the weather is perfect. Schools are getting back in session and folks are finishing up their summer activities. Hopefully all is well with you and your local lodges.

Soon the Labor Day Weekend will be celebrated throughout our Nation. As the members of our State Association make their plans to enjoy this holiday, I would ask everyone to reflect on the hard work your lodges have done up to this point in our fraternal year. Reflect on the accomplishments and rewards of planning and performing the good works our Order is known for in our communities. Think about the hours spent setting up a back-to-school shopping event for those children who would have otherwise not new clothes to wear the first day of school. Call to mind the effort put forth to set up those trips for our Veterans, to the memorials, the dinners, the outings. The time and energy to make sure the kids Fishing Derby's, or the Easter Egg Hunts, or the hundred other activities held, went off without a hitch.

All the things the lodges do in our great state, I just ask the members and officers of the local lodges and State Association to remember, all we do is a labor. It's a labor to improve the town and cities we live in. It's a labor to help those less fortunate than ourselves. It's a labor to help shape the future of our state and our nation. It's a labor of love for us all.

As Angie and I have travelled the state with Charlie and Rachelle, we've been so very fortunate. The lodges that we have made visits to so far have welcomed us with smiles and open arms. I can only hope the next part of the year can be as wonderful. To those lodges we've visited I say thank you. To those we haven't, we'll see you soon.

Again, I say thank you. All the officers serving in our great Association are second to none and it is truly an honor and a blessing to be laboring alongside them.

Fraternally,  
Duane Hedenbrand  
MEA President

## Shozem Missouri Elks Magazine

We are blessed to have a lot of very talented people within our districts and Lodges who make Shozem submissions.

Please send pictures with your articles to the district Editors listed on this page. You may also send them to me directly.

This year there are many extras in the EShozem. To get in the EShozem just send an email with add me in the subject line to shozem2@gmail.com. This years EShozem has lots of pictures, complete golf results and many other things.

In the first year since I have been editor I submitted our magazine to the Grand Lodge State bulletin contest where we received a four star rating.

I hope you continue to enjoy the Shozem and when people come in to your Lodge -tell them to take them home, especially new candidates and potential members. Seeing our good works in the magazine could be a good membership tool.

Thank you for your support as always-Bud Clarkson MEA Shozem.

**CLMS** Lodge Secretaries are you aware that after every Saturday meeting at the State Convention that State CLMS director Frank Kerby conducts a Secretary and CLMS training session? It is a great time for Secretaries to get together and share their common questions and problems. This year as every year lodge secretaries are facing new challenges. With a late start to our annual audit it made this years audit difficult. Each Lodge should have received by now a report from audit committee chairman Richard Techau explaining some your lodge problems. Next year we will be required to change our accounting system to one with Universal accounting codes supplied by the Grand Lodge. All of this information is in the auditing and accounting manual. Learn more about this during the CLMS training session.

Have a problem? Call Frank or Bud or look for your District CLMS District chair-person in the MEA directory available at the elks.org website.

# Drug Awareness

**A note to all Drug Awareness Chairs**, if you are not reporting your events to your District Chair and State Chair, National Drug Awareness doesn't know they happened.

If National doesn't know about our efforts, it is going to be difficult to continue to get D.A.P. materials from them.

We are hurting ourselves by not reporting!!!! **Lodge Chairs, ask your Secretary for help in getting your events reported properly into CLMS.**

## National All American Lodge Contest

Marc Beckman after 21 years has retired. Marc has done a fantastic job as Director and the Missouri Elks Association thanks him for his years of service. Marc has been instrumental in getting me up to speed as your new Director and I thank him for that.

What a rewarding experience it was to represent our state's major project booth at the National Convention in Indianapolis this past July. The Benevolent Trust mobile dental lab is a unique program that no other state comes close in comparison. All who stopped at our booth to talk commended us for the program and the work we do. Hold your heads high Missouri, we are special.

Last year, as a state, we were unable to meet our per capita goal of \$4.50 by obtaining only \$4.32 per capita. I congratulate those Lodges who exceeded our \$4.50 per capita commitment. I know with a little more commitment by each Lodge's Benevolent Trust representative and officers all Lodge's will surpass their \$4.50 goal.

Four months into this year we as a state are at \$1.48 per capita. Up-to-date district per capita is as follows:

# Benevolent Trust

Donations and yearly pledges to the Benevolent Trust give us most of the funds to perform an important part in our perpetual income to the fund. I encourage all Lodges to utilize other means to raise funds for the trust; BBQs, 50/50 Raffles, Silent Auctions or other special events are just a few ideas. All funds each Lodge gives to the Benevolent Trust goes to the respective Lodge's per capita.

To date, Missouri Elks have given over \$232,000 to operate the dental labs. Dr. Beck and his dental assistants have seen over 800 patients and administered almost 8,000 procedures. If the dental lab is in your area stop by and talk with Dr. Beck and staff and show your appreciation for what they do.

As you can see by the smiling face of Richard Roberts, one of our dental lab patients, he is very happy for his dental care. Dr. Beck talks about the smiles of gratitude by the patients and families.

Let us all make this a great year of giving to the Benevolent Trust so we can smile with them.

Brian Crawford, Director  
Missouri Benevolent Trust

## Missouri Metro West District #4790.

On May 3<sup>rd</sup> Re-Creation rolled into the Drury Inn Stadium, right across the street from Kansas City Royals and Kansas City Chiefs.

Ten days prior, Mary Wright, the coordinator for Re-Creation called PSP Harry Hennemann, our National Veterans Service Commission, State Chairman and told him the group Re-Creation would be coming to the Kansas City area. Mr. Hennemann gave her the names of the VAVS to the Kansas City Veterans Hospital and the VAVS of the Warrensburg Missouri Veterans Home. She asked if the Elks could make overnight arrangements for the group both in Kansas City and their next stop Warrensburg Missouri.

We, the Metro West Elks # 4790 jumped at the opportunity. Knowing these young men and woman travel the United States, donating one year of their young lives, at no pay, performing at Veterans homes and Veterans hospitals.

On May 4<sup>th</sup> we escorted the group to the Kansas City Veterans Hospital where they performed, singing patriotic music, in full costume, in hospital hall ways and patient rooms. They were well received by not only patients, but nurses, doctors, med-students and administrators. Afterwards we took them to Kansas City lodge # 26 where lodge and District Elks prepared and served lunch. We said our good buys, and they were off to Warrensburg Missouri Veterans Home, by way of Warrensburg lodge # 673, to perform the following day May 5<sup>th</sup>.

We were be-dazzled by their professionalism, patriotic enthusiasm and dedication to our veterans. Thank you for the opportunity to serve those who serve our veterans. We are the seven lodges that make up the Missouri Metro West District #4790.

**Just Say No to Drugs Kids Fishing Tournament**

Thanks to funding from part of the Promise Grant we received, Saturday April 18<sup>th</sup> 9 Forsyth Bass Club and 13 **Lake Taneycomo Lodge #2597** members hosted 35-40 children for the 16<sup>th</sup> annual tournament. Even with the chance of rain looming, about 8:30 the children began arriving and were furnished with rods and reels, night crawlers and assistance when needed. Thanks to the Conservation Department stocking the pond, they immediately began catching bluegill, bass, catfish, a drum, a frog, a rock and even a turtle. Wait, no, the turtle was the one that got away. Ava Countu and Elissa Russel caught their first fish. Pictures and information will be sent to the Conservation Commission and they will receive a certificate from them for their first fish.

Because of the chance of rain at 10:30 Buck Saltzman began cooking hot dogs and hamburgers for all. The Elks members had all the food ready to go at 11:00 and about 90 of us chowed down. Then while we were getting the trophies and prizes ready we had a short shower, but the sun came out and we drew for rod and reel combinations and cash. Then they lined up for trophies and prize bags for all. In the prize bags were tackle items and Just Say No to Drugs literature. Everyone agreed that fishing was more fun than doing drugs.

## Benton County Elks Lodge 2783

On April 6th, Benton County Elks Lodge #2783 hosted the annual St. Patrick's Day Dinner and Dance for Adults with Disabilities. We had approximately 50 people who enjoyed pizza and soft drinks. They had fun dancing to a DJ, playing games and singing Karaoke. Gift bags were also distributed.

On March 27th, five Elk members, Pam Watts, Tom Morgason, Bettie Morgason (not pictured) and Jack and Judy Youngs, distributed dictionaries to third grade students at Lincoln Elementary School

April 21st, six members of our Lodge, Stan Schierholz, Jerry Mewszel, Dennis Shoen, Jack and Judy Youngs and our great photographer, Joe Lowry, distributed dictionaries to Warsaw North third grade students. The reaction of the students is a special reward for us.

On April 18th, we chartered a bus and went on a Lodge Crawl. Our first stop for a few hours was Lake of the Ozarks Lodge #2517. Then it was back on the bus and on to Greenview Lodge #2857. The hospitality at these Lodges could not have been any better. We played some games and they fed us and of course we had liquid refreshments. It was a fun day and we all had a great time.

Dictionaries were distributed today to third grade students at Cole Camp Elementary. The Elk members making delivery today were Stan Schierholz, Tom Morgason, Jerry Mewszel, Jack and Judy Youngs and photographer, Joe Lowry. This completes this year's distribution to all third grade students in Benton County. These pictures are representative of all the kids' reactions to receiving these dictionaries.

# Jefferson City #513

In April Jefferson City Lodge 513 held their first Hillbilly Triathlon raising over \$1,500 for their Veteran's Fund. After a fun filled afternoon of games participants and patrons were treated to a fabulous dinner.

The Northeast District held their District Deputy Clinic along with their Vice President's meeting at St. Clair Lodge 2651 on August 22, 2015. # Metro East District Picnic

On August 22<sup>nd</sup>, the annual district picnic was held at Florissant Lodge. All Lodges were represented in the activities for the day. There was a cake walk and a balloon game for the kids. However, the most enjoyment for the day came from the dunking booth. The entire district ER's along with the VP and Tiler participated in being dunked during the afternoon for the sum of \$1.00 for 3 balls. The ER's all seemed to look forward to the activity until they realized that there would be bags of ice added to the water. The children enjoyed it as well especially the children of the ER's. What a better way to dunk their parent. There were hot dogs, hamburgers and bratwursts available at noon. The pork steaks, cole slaw, baked beans and desert were available after 3pm. Plenty of food for all to enjoy.

Enjoyable day was had by all how attended.

This year the Lodge had the honor to have the participation of the *Dream Riders* who honor the children of our fallen heroes because they deserve happy memories. After the ride a dinner and auction were held which raised over \$6,000 for their program which will help support the Lodge's monthly activities at the Harry S Truman Veterans Hospital in Columbia, Missouri, send care packages over seas to our troops and to support a local organization, *Common Grounds*, which support veterans needing assistance in the community, just to name a few.

Pictured is the Dream Rider's vehicle leading the ride.

Upon their evening arrival the group honored the Lodge with a song or two before heading to the hotel for much needed rest - and right after handing off their laundry to a couple of great volunteers to wash. Then in the morning it was a quick breakfast and off to the Harry S Truman Veterans Hospital where many patients, families, staff and Lodge members were honored with their performance.

## Mexico #919

On July 25, 2015 Mexico Elks Lodge 919 held a Benefit for Michelle Darby (daughter of Lodge secretary, Julie Schudel) who has breast cancer. Live and silent auctions were held with the generous donations from Elk members and friends, as well as from Mexico, Columbia, Centralia, Fulton and Auxvasse businesses. After a Fish Fry meal prepared by members all were entertained by *Mercury Son*. Many thanks to those who attended and helped bring in over \$19,000 to help with medical expenses.

Mexico Elks Lodge held a Mother's Day Brunch on May 10 with many in attendance

Mexico Elks Lodge members held a Golf tournament on June 6, 2015 which raised funds for their Veterans, Scholarship and Drug Awareness Programs.

Mexico Elks used the 2014-15 Gratitude Grant to provide for the Help Center. Mexico Lodge joined in with the Adopt-A-Child for Christmas program purchasing over \$1,000 in gifts for needy children at Christmas. The grant also was used to purchase 256/1# pkg of hamburger for Help Center families in need.

On August 29, 2015 Mexico Elks visited the Missouri Veteran Home with a BBQ meal for the Veterans and family. Elk members and family members prepared side dishes and desserts and served the Veterans. Music was provided by the Lost Laddonia Boys.

Mexico Elks Lodge used the 2014-2015 Beacon Grant to benefit the Senior Citizens. On April 10 and June 19, 2015 lodge members held Senior Fun Nights inviting senior citizens from nursing homes, assisted living centers, and the senior nutrition center area wide to attend. Elk members prepared many refreshments which the seniors enjoyed. Music was provided by *Lost Laddonia Boys* which gave the seniors the opportunity to dance and listen to music they remember so well. Each event had over 100 in attendance. After the fun night was over, Mexico Elks 919 donated \$776.00 to the Mexico Senior Center to use towards meals for the seniors who are unable to pay for meals prepared there. This has been a very successful grant which Mexico Lodge uses each year for the seniors.

Cass County Elks Lodge 2791 received an award from the Cass County Sheriff's Department for our participation for many years in the D.A.R.E (Drug Awareness) Program.

Jim Chumley, our Leading Knight, presented a check for \$4500 to the Purple Heart Association. The funds will be used to place Purple Heart highway signs along 49/71 highway in remembrance of our Purple Heart awarded veterans and service men.

Cass County Lodge 2791 will be holding a fund raiser for this effort. For a minimum donation of \$20 you will receive a plate with your name engraved, that will be hosted on a plaque in the lodge room. Let's show our support of this important effort and get that plaque filled. Only 250 plates will be issued.

Cass County Elks Lodge 2791 built this playground from a fundraiser we had for the Hope Haven Women's Domestic Shelter in Harrisonville, Mo. Thanks to all that help raise money and lay all that mulch!

## Farmington Lodge #1765

In March of each year, the lodge Past Exalted Rulers have a all-you-can-eat pancake breakfast with the proceeds going to one of the lodge charities. There were 11 past Exalted Rulers that served up breakfast for over 120 members and their families, a good turn-out. Speaking of PER's, there were 17 in attendance at the lodge PER Night. Our past leaders have a great attendance record for this special occasion and many attend regularly at lodge meetings.

May was a busy month with a parade flag carry at the Fredericktown Azalea festival parade, the observance of the Mother's Day ritual, and the annual Youth Awards Banquet. From projects throughout the year, the lodge was able to again present over \$20,000 in scholarships to area high school seniors.

In June, the lodge held the Elks Flag Day program which was another success with good attendance of members and the public. Local police and fire department members took part in the program. The US Flag led the way at the Farmington Country Days parade the first weekend in June. We had a full complement of flag carriers which helps the organizations image, that our lodge cares about the flag. The lodge adopted a section of highway in the state sponsored program. It is a high traffic area after US 67 and Hwy 32 intersection. One of our members started free dance lessons on Sunday evenings and it has taken off very well. Many of the popular country dances and some more traditional ones are taught. Following the lessons, there is time to practice what was learned.

The big event for August is the annual Weedy McCalister Memorial Golf Tourney. It always fills up with teams and sponsors. The evening winds up with the awards dinner at the lodge. Coming up in September is the lodge soccer shoot on the 19<sup>th</sup>. There will be two more flag carries in September, one at the Desloge Labor Day parade and the other at the Farmington Homecoming football game on the 25<sup>th</sup>. The lodge has excellent crowds for the Tuesday food program. The activity is each Tuesday a different team cooks a special meal, such as pork steaks, catfish, chicken fried steak or pork chops and serves this with 2 sides. The proceeds go to the lodge scholarship fund.

## I Like Coming To The Van

Dr. Robert Beck with Richard Roberts

Richard has been a patient on the Mobile Unit since 2004. For the last two years he has visited the van, at the Columbia Elks Lodge, on his birthday! Most likely Richard had a sweet treat in his honor.

Dr. Beck said that during each patients dental exam he analyzes what medications they are taking. If necessary he provides them with information to take home regarding dry mouth. If someone is taking a lot of medications they might experience dry mouth which can make them more susceptible to oral disease.

He encourages everyone to quit eating and drinking foods with high concentrated (man-made) sugar. Have a sweet tooth? Substitute soda and candy bars with more natural foods like fruit and water. Patients with a dry mouth have less saliva to assist them in keeping teeth clean, especially while eating sticky foods.

Richard said that he liked coming to the van. He said that he loves everybody and that they treated him nice.

*Thanks for spending your special day with us Richard!*

## Making A Difference In Columbia

Over the past 6 years Robert "Bob" Young has helped move the unit. His fellow Elk member, Robert "Sarge" Shatlain has been helping out for 2½ years. The Columbia Elks Lodge #594 is central in the state of Missouri, which makes it an idea location for the Mobile Dental Unit.

Cindy Smith, Dental Assistant, reports that Bob and Sarge are a great help. In 2014 alone, the Elks Mobile Dental Staff has travelled 48,890 combined miles. It is no small feat getting the mobile unit from one location to the next. Skilled and experienced drivers are invaluable.

Mr. Young and Mr. Shatlain said that it is a great honor to be involved with the Mobile Dental Program. With the Elks Core Principles in mind, Charity, Justice, Brotherly Love and Fidelity, they believe the program is making a difference in their community.

Melissa Blackwell has been a patient since 2014. The Elks Mobile Unit completed exams, x-rays, cleanings and fillings. After her last appointment, at the Columbia Elks Lodge, her father, Thomas Blackwell Sr. wrote to us the following:

*Dear Elks,  
Thank you for the assistance you gave my daughter. We are very pleased with the outcome and help finding cavities to make her dental care a lot better.*

Adult patients with developmental disabilities often will not allow or often refuse to brush their teeth on a regular basis. This unfortunately leads to decay and gingivitis. The Elks Mobile Unit instructs patients and caregivers, giving oral hygiene instruction. When leaving each patient receives a toothbrush and toothpaste.

## Affton Lodge Christmas Baskets

In December the Affton ELKs received 73 requests for baskets to help needy families for Christmas. We proceeded to take on that task, we went to four schools to ask for donations of can goods or whatever they could donate. They helped us out with can goods & toys & money. Our Ladies Aux. had money & toys & clothes donated to them throughout the year. The Lodge donated \$2,250.00, the Ladies Aux. Donated \$3,000.00. We also bought turkey, hams, fryer chickens, pork sausage, eggs, sugar, flour, potatoes, apples, oranges, onions, celery, and carrots. Each basket received all of these items. We had 15 bikes donated & they went fast.

The Ladies Auxiliary put up a Christmas tree in the lounge & put ornaments on it for donated toys & clothes to go in these baskets. Each basket had gift certificates from \$25.00 to \$75.00 depending on the size of the family. If I had to guess each basket would be worth \$200.00 to \$250.00 that is only a guess. 73 baskets = 148 children, & 133 adults

# ELKS NATIONAL VETERANS SERVICE COMMISSION

## MARCH 2015 GRAND LODGE NEWSLETTER MESSAGE

### “Army of Hope”

For the past 11 years, our “**Army of Hope**” has provided a wide variety of assistance, support, and relief for those who are serving in the Military and their families. This Elk program of service was a natural and formal addition to our other Elks National Veterans Service Commission programs at the time and officially expanded our Commission’s efforts to include currently serving Military personnel as well as Veterans.

Our “**Army of Hope**” was established and organized as a program, enabling and encouraging Lodges and State associations to provide support and assistance for the families of their local Military Reserves and National Guard Units who were deployed in “harm’s way”, to defend our National Interests during the wars in Iraq and Afghanistan. Well, the “**Army of Hope**” of today has evolved into much, much, more, providing direct support for all deployed troops, as well as their families. Lodges and State Associations have and continue to provide all sorts of personal hygiene, clothing and comfort items, food items, phone cards, etc. to these troops. In addition an even greater effort is being made to make their return home as easy and pleasant as possible for both the trooper and the family. Elk Lodges and individual Elk members continue to participate in “Welcome Home” events at airports, military bases, and the like for these returning Heroes. Lodges and “**Army of Hope**” Committees are holding “Welcome Home” celebrations, as well as providing financial and other individual forms of assistance, all to help each returning Hero in their individual and personal effort to pick up and continue a normal life with their family.

Many of our Heroes return with injuries, both physically and psychologically - the Wounded Warriors. Others, tragically, are even less fortunate and return as Fallen Heroes. Once again, our “**Army of Hope**” has stepped into the breach by providing assistance and relief to the individual Hero Warrior, as well as the families of those Fallen Heroes. Through a wide range of fund raising activities Our “**Army of Hope**” is providing funds for rehabilitation activities, services and facilities. Funding is also being provided to purchase rehabilitation equipment and aids. In the case of the Fallen Heroes, our “**Army of Hope**” organizes groups of Elk members to show proper honor and respect to the Fallen Hero, and comfort to the family when they are returned home, as well as continuing events to honor their service and memory. Elks all across our Order make up our “**Army of Hope**” and are bringing comfort and relief to our troops and their families, day in and day out.

The question is – is your Lodge involved and are you personally involved in this most worthy effort? If not, why not? The troops, these Heroes and their families certainly deserve the support and assistance of all Americans. They serve and give up so very much that we might be free and able to pursue our lives as we wish.

If you and your Lodge are not currently involved in our “Army of Hope” effort, please contact the following for information on how to get started. Every Lodge and every Elk should be involved in this effort!!
